

PRAYER PARTNER UPDATE

July 2010

Now all glory to God, who is able, through His mighty power at work within us, to accomplish infinitely more than we might ask or think. Ephesians 3:20

WE  PRAYER PARTNERS!

Did you know that when someone writes and says they want to thank EVERYONE at Air1, they are really thanking you too? Here's what Kara wrote:

"I just want to say thank you to everyone at Air1. Any time I am having a bad day...I listen to Air1 and it turns my day right around! I love the work that you do praising God and lifting up His name, it helps me to make it through the day...the constant battle with the devil can be difficult sometimes, but Air1 really helps me to keep God in mind all day and rise above any temptations in life!"

Thank you SO MUCH for being part of "Team Air1" and praying for:

Air1 tweens and teens who are listening and who just want to know that someone cares.

Please pray also for Karen: *"I want 2 Thank U 4 being right where God choose U 2 be. I listen 2 your station a lot. I'm going through a tough time. God is in control."*

And for Lauren: *"I'm going through a really rough time right now; facing disappointment, worries, and worst of all, feeling distant from my Heavenly Father. I just switched on your station and two of the most appropriate songs for my situation just came on. Thank you for letting the Lord work through you."*

And for Air1: *Playing the right song isn't us – it's a God-thing. Pray for more God-things just like Lauren shared. That's why we're here!*
