

Air 1 Listener Guide

Why we're here

We help keep you connected to God. As a radio station, the best way we know how to do that is through rockin' Christian music and real people who get Jesus' message across without being "religious."

3 Great Reasons to Listen to Air 1

We Play The Hits and More of 'em.

Air 1 is all about the music, not commercials. That's why we're listener supported. We pay our bills through the generous support of our listeners so you get to hear what YOU want – more positive hit music from tobyMac, Relient K, and Skillet!

We're Real.

We're here to remind you of what matters most in this world.

We're FUN!

We play music that rocks and hopefully keeps you smiling throughout your busy day. Plus, we give you the latest on what's going on with your fav artists. And need we even mention the crazy games and exciting contests we concoct so you can win the latest CD releases, trips to exciting destinations, and once-in-the-lifetime experiences with Air 1 artists and bands? How could that not be fun?

Why we do what we do

Our listeners rock!

The guys and girls who listen to Air 1 say they use Air 1 to tell their friends about God. Can you believe it? They want their friends to find Jesus!

I hang out with my really close friends most of the time and they understand that I'm a Christian. I've had the chance to bring my best friend closer to God through music and it's amazing. I turn Air 1 on and she's singing all of the songs and she likes them! I wanted to say thank you for being a part of my ministry to my friends! — Heidi

We want to help

We're stunned and humbled to think that God uses Air 1 to help people. But He does! Our listeners are always telling us how Air 1 has helped them through some rough times.

We'd like to encourage you

Being a Christian in this out-of-control world is tough. We're here to help!

God tells us to pray for each other

The Air 1 staff gets together four times a day to pray for Air 1 listeners. We get about 14,000 prayer requests by phone, through Air1.com, and even by mail. Our Phone Ministry Team also calls listeners to find out how we can pray for them. Need us to pray for you? Just go to Air1.com and click on "Ministry" and "Need Prayer" or call us at 888-YES-Air1.

How you can help

Pray

Become an Air 1 Prayer Partner. We'll send you a list of things to pray for each month. Just go to Air1.com to sign up.

Tell your friends to listen

Don't be shy! Talk about us at work, at school, at a Bible study and at church—or just grab random people off the street. We'll help by giving you Air 1 stickers and info to pass out. To get yours, call us at 888-YES-Air1.

Give

Do you know how Air 1 plays great music 24/7 without commercials? Our amazing listeners give financially to keep us on the air. Because we're licensed by the Federal Communications Commission (FCC) as a non-commercial radio station, we couldn't sell advertising even if we wanted to—(and we don't).

If you already support Air 1—thank you! We couldn't play music or tell people about God's love without your help. If you're not yet a supporter, and you'd like to help us keep going strong, would you think about giving a one-time or monthly gift? If that's a "yes," call us at 888-YES-AIR1 or give online at Air1.com.

“My 15-year-old daughter was suicidal. When I heard that your staff and your pastors pray for listeners, I decided to e-mail your prayer team. To my surprise, I received an e-mail from you telling me you were praying for my daughter and a scripture to encourage me. Thank you.” — Shannon
